

## VMA Centennial Project Report As of 5/31/18

---

Brothers,

We are within sight of reaching our \$500K goal for the Lodges in the VMA. With just a little push we can make it by the time we meet in Roanoke for our State Convention in August. To date our lodges have contributed \$487,770.95 leaving a balance of \$12,229.05 to reach our goal! We have forty Lodges who have met or exceeded the three year goal we set when the project started. We have nine who have met two years or more and another nineteen who have met at least one year. There are a few who are very close to moving up a level so please approach them before the convention and see if they have a little more they can contribute so that we may meet our goals.

All together the men, women, Lodges, Chapters, Moose Legions, Districts , and others in Virginia have contributed over \$686,000.00+ to the Moosehaven Centennial Project. We are looking at an opening sometime in the coming months for the new building to house our seniors at Moosehaven and it is all due to the hard work and efforts of people such as yourselves who made it possible. On behalf of everyone at Moose Charities I would like to express my appreciation for all that you do for our great fraternity. Let's keep the ball rolling all of the way until we meet in Roanoke in August!

See you in New Orleans!
