

18th ANNUAL MARCH MADNESS DART TOURNAMENT RESULTS (MARCH 2-4, 2018)

The weekend of March 2-4 proved to be a great weekend after a lot of worrying and shooters stuck 20 miles away and unable to get here due to WIND! Not snow, not rain but wind. Colonial Beach Moose held on tight and finally the power came back on about 1130 that Friday morning and the motel's power came back on just a little while later. After deciding that those trying to cross the Harry Nice bridge from Maryland to Virginia were not going to make it on Friday night, tournament director Richard Pietras decided to run a blind draw for those 80+ people at the Lodge & would start the tournament on Saturday morning. Finally Saturday morning all of our refugees stuck in Maryland made it across the river and joined us to get things started. What looked to be a rough weekend turned out to be a great time for all.
