

Subject: RE: 10th Annual Moosehaven Chili Cook-off

Good afternoon fraternal family!!!

It's beginning to look a lot like Chili!

Calling all fraternal cook teams....chili is almost upon us! The **cook team registration information is up on our website, www.moosehaven.org**, and we have already gotten a few teams registered.

Don't be late, it's easy, register online!

Do you have a lodge or chapter that cooks a mean pot of chili? If so, help them get to our cook-off to take home the trophy! Feel free to enter several teams from your association! Our annual event supports K9S FOR WARRIORS and is a day full of fun, fellowship and fundraising!

Some associations have held a state cook-off to determine the team that will be sent to our event to compete.

You do not want to miss out on this fantastic opportunity to meet, greet and beat your fellow brothers and co-workers!!! ☺

The day will start out with a community breakfast and will continue with a classic car show, feature live entertainment from Nashville, Devon Dawson, host local arts and crafts vendors and offer some of the best chili in the nation!

For more information, please visit www.moosehaven.org or call 904.278.1234.

We can't wait to see you!!!

Marina
