Mooseriders hold benefit ride on July 20th

On July 20th, 2019 the Moose Riders of lodge #1309 sponsored a benefit ride for a local child, Diego Hernandez (photo to left). They raised over \$1000.00 for this young man. Diego has a medical condition called craniosynostosis that affects skull and brain growth. A special thanks to Hunter Wade (president of Moose Riders) and all of the people that helped in the benefit ride.
