The Clifton Forge Moose Lodge sponsored a Halloween Dance for the Physical and Intellectual Disabilities residents of the Allegheny County Area on Friday, October 26, from 7:00-9:00 pm. Music was provided by Special Olympics participant Ricky McCoy who was assisted by his brother David McCoy. Refreshments were served by the members of the chapter during the event. Door prizes were given out by Special Olympics Coordinator Ruth Britt. As always, the chapter members were rewarded with smiles and joy and had a much better time than the dancers (maybe).
