VMA OFFICE TO BE CLOSED UNTIL OCTOBER 15th

Happy Fall Y'all!!

Just a reminder-the office will be in the relocation process effective this Saturday, September 29th. We have scheduled it to be closed for two weeks, and reopening on Monday, October 15th. We do plan on opening sooner than that if at all possible-already time to start planning for Mid-Year Conference!!

As soon as new phone and fax contact numbers are received, an email will be sent out with those, as well as updated on the website. The mailing address is still the same-

Post Office Box 4433
Lynchburg, VA 24502

In order to be ready to load up on Saturday, all devices are going down at lunchtime Friday, Sept 28th -no access to emails, fax, scan, etc, so if you need anything please reach out before then!

If you need any further assistance during the down time, please feel free to contact any member of the Executive Board.

Thanks!
Paula
