

The Virginia Moose Youth Awareness Scholarship Program held a Chairman/Coordinator`s meeting at the Waynesboro Moose Lodge on December 15<sup>th</sup>. We decided to invite Moose members to come hear how the Youth Awareness Program is doing this year and plans for the future. It was both an informative and educational meeting with 14 in attendance. The meeting started with a brief power point presentation by VMA State Chairman Manny Propst and his experience with the 1 day multi hour sessions at the lodges, VMA WOTM Coordinator Kay Morrison reported on the “In-school” presentations that were new this year followed up with VMA WOTM Coordinator Myssi Stange on her experience with the 1 day multi hour lodge session and the new website [vmayouthawareness.org](http://vmayouthawareness.org).

Our 4 time State VMA-YA Representative and a winner of the 2<sup>nd</sup> place Moose International scholarship Austin S. was a guest speaker. He is still involved in the program as a Moose International Youth Awareness student moderator for the International Student Congress. This young man attends Harvard University and is still involved with our program.

We appreciate all of those in attendance and hope that you went away with more knowledge of the Virginia Moose Youth Awareness Scholarship Program. We are also planning for another “Youth Awareness Gala” date, time and place TBA.
