Governor's Corner

Greetings to all my Brothers & Sister's.

Hope one & all had a good Christmas.

Those that came to our New Years Eve dance I hope a joyful fun time was had by all.

As you have probably heard, we will be beginning to update & brighten up the main hall, this project will take time before fully finished, patients my brothers & sisters. We will be getting back some of the Vtabs machine that we originally had, hope you will enjoy having the choice of the older machines along with the ones we have now.

Please always remember to treat others as we like to be treated.

Women of the Moose

Greetings co-workers,

I hope everyone is doing well.

Hope everyone had a wonderful and safe Christmas.

The children seemed to have a wonderful time at the Childrens Christmas party, thank you to everyone who made this possible, and a special thank you to Santa Claus for stopping by to see the kids, and adults were excited as well.

May Gods love light your way into the new year.

Happy New Year to all.

Your Senior Regent,
Marie

*We will open the book. Its pages are blank
We are going to put words on them ourselves.
The book is called OPPORTUNITY and its first chapter is New
Years Day.*

An older West Va couple was driving down the road one Sunday morning, as they were passing Mr. Rest family farm, Billy Bob looked over into the pasture and seen some donkeys standing by the fence, he said look Wilma, its your family, without hesitation Wilma said your exactly right Billy Bob, that's my in-laws.

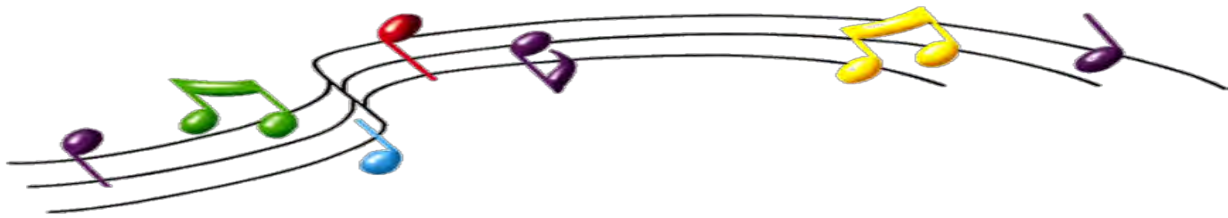

Jim walks into a psychiatrist office wrapped in nothing but bubble wrap, he said Dr. Balderson I really need your help, the Dr. scratched his head and said, well clearly, I can see your nuts.
