GOVERNOR'S MESSAGE:

Elections

The LOOM elections were held on April 11th. The following individuals were elected Governor: Jerry Black; Jr Governor: Brian (BMAC) McGarrigle; Treasurer: Robert (Biker Bob) Hagerman; Prelate: Patrick Canniff; 3 Year Trustee: James Woodbridge; 2 Year Trustee: Thomas Murray; 1 Year Trustee: Robert Gordon; Past Governor: Bill Baker. Appointed Positions: Sgt of Arms: Rich Inlow; Outer Guard: Mark Kidd. Congratulations to the newly elected officers. The new board will start on May 9th

Thank you

As the Moose Year comes to an end, we the LOOM Board would like to thank each and every member for your contributions to the Lodge. Without **you...we would not be where we are today. We asked for you to sign new members and you responded by breaking all previous records** and signing up over 170 new members. We asked for your support in keeping our already signed members and our retention rate surpassed 75 percent. We asked you to trust the board to make good sound decisions and you voted to move forward and build a new Lodge. Time and time again you were there to support your Lodge.

I would like to give a special thanks to this year's past LOOM board. We have done some incredible things this year to move the Moose Lodge forward for the next 50 years. Without your time and dedication, we would not have been able to accomplish all that we did. As the Governor one of the guidelines for **being Governor is to increase membership and improve and maintain the financial stability. The board's hard work has moved us** to the rank of 147 in all of Moose International. This year for 2018-2019 Dale City Moose Lodge obtained the status of Premier Lodge. So, a very special thanks from me to a great team! BRAVO ZULU!

Ground Breaking

Just a reminder that on June 22nd starting at 12PM we will start to celebrate our ground breaking for the new Lodge. From 12 to 3 we will have fun activities for kids and adults outside. At 3PM we will have the official ground breaking ceremony with some very special guests. This will be followed by a free BBQ dinner, roll back to 1979 prices for beer, and a band Saturday night. Come out and enjoy the day and help celebrate a moment that has been in the making for the last 40 years.

Dale City Moose Lodge Charities

AS everyone should know the primary reason for the existence of the Moose Fraternal Organization is to support Moose Heart and Moose Haven. In addition to supporting these wonderful organizations, the Dale City Moose Lodge as part of its Heart of the Community campaign supported three local Prince William County charities. Our focus for 2018-2019 was the ARC, Streetlight Ministries, and PWC Animal Shelter. As a lodge through your contributions and fund raisers we were able to provide support to all three. Again, you should be commended for your efforts to help out those in need. As we move into the 2019-2020 Moose Year, we are asking for you to provide recommendations on charities we can support in PWC. The charity must be in PWC, be a 501C organization, and worthy of our support. If you have some ideas, please share them with any board member or give information to Larry. The Board will review all recommendations and we will pick three to support in the coming year.

Committees

Hey, did you know the Dale city Moose Lodge has 11 permanent committees? One of the first requirements of the Governor at the beginning of each new term is to appoint committee chairmen. If you are interested in being a committee chairman, please let me know. The committees are listed below. In addition to appointing a chairman, this year we are going to do something very new. Every LOOM member will be assigned to a committee. You will receive a letter letting you know what committee you are on and who will be the committee chairman. The chairman will then reach out to you when they schedule **meetings to ask for your participation. If you don't like the committee you are assigned to then you are more than welcome** to reach out to the other committees and join one of them. The Committees are vitally important to the Lodge success and help to provide much of the needed support required to run a lodge, especially as fast as we are growing. I hope you will take the time to attend a committee meeting and provide your input. Moose Committees: Moose Charities, Auditing committee, Membership/Retention, Application Review, Heart of the Community, Loss Prevention, Communications, Government Relations, Activities/Sports, Moose Legion, Ritual.

4th of July Parade

I am asking, begging for your help with this years Lodge float for the Dale City 4th of July Parade. For past few years the Dale City Moose Lodge has won first place for our float. Unfortunately putting together the float has landed on the shoulders of only a few people. We have to get more help this year. We need all of you creative types, carpenters and organizers to help build our float. Parade float meetings will be held starting in May. We need ideas for the float and helpers. Decorating of the float will start around the 28th of June. Once we have the lead person for the float the meetings will be announced. Please make this a whole lodge effort. We have over 1000 members and last year it fell on 3-4 people to pull it all together. Look for flyers in May announcing the first meeting.
