Hello Brothers:

Well some good news to start. Brothers Bo Bowen, JR Dodson and Wayne Talley are home recovering from recent illness/operations. Please keep Buddy Keyser, John Skinner and Steve Hinson in your thoughts and prayers. We wish them all well.

We started October with a bang with our Newmarket Night. Good sized crowd and folks had a real good time. Then

ended with a Bigger Bang with our Oyster Roast. Weather wasn't our best friend but didn't get in our way. Many thanks to the crowd that helped put this on. Special thanks to Shane Reynolds for heading up this project. And certainly can't forget Suzanne for all her help. Was a real good time.

OK some real business to take care of here. After the Lodge lost power during TS Michael, the Board of Officers elected to purchase a generator for the Lodge. At the ensuing general member meeting, we elected to purchase the generator. We previously had a quote from Elbourn Electrical. We knew we would have to get dispensation from Moose International in that the price was over \$5,000. What we didn't know was we had to have a special meeting to purchase it. Therefore, the previous meeting is null and void as to the generator for the Lodge. On Nov 6 at 7 pm, a special meeting will be held to discuss purchasing a generator for the Lodge. No other business will be discussed at this meeting. Once we have reached agreement, the meeting will be adjourned. The Lodge will then go into the regularly scheduled bimonthly meeting. If you have any input, this is your time to speak up.

Now that out the way -- The Lodge is financially sound. Yet the generator isn't cheap. We will need your continued support on functions held throughout the months to support our mission. There are people in our community that need our help. We do what we can when we know about it. There are organizations that need our help as well. Again we do what we can when we know about it. We even have Brothers that need our help. For sure we do what we can when we know about it. But we can't if we don't have your support. Support can come in many ways – Time and Talent are the first two.

At both functions this past month, I noticed a handful of younger folks/members in attendance. Was pleased to see them. To these young folks, please tell us (Board) what would bring you to the Lodge more often. We're listening. This is your Lodge too. It ain't just for old geezers.

Holidays are coming up. Thanksgiving in November and Christmas in December. These two holidays seem to wrap up a year for most of us. A time to be with family and friends and enjoy each other's company. Please have the best of Holidays. If I see you, it won't be have a Happy Holiday; it'll be Merry Christmas or Happy Thanksgiving. So till next month – See ya at the Lodge.

Harry
