

**Subject:** 150508 Official Communication - New Membership Cards for Life Members;

## **Official Communication for May 8, 2015**

### **Life Members To Receive New Membership Cards**

A mailing will be going out on Monday, May 11th to all Life Members that have not yet received an updated membership card. This updated card will give them contact information for Moose International via phone and e-mail. It will also provide them with the website password for the member's only section of our website.

As a reminder, if you have not yet verified the addresses of all your Life Members, please do so before the mailing date. Life Members that continue to pay Moose Legion dues will not receive a new card as they already receive updated membership cards on a regular basis.
