**WOTM Official Communication
Friday, May 22, 2015**

WOTM Handbooks and Materials for the 2015-2016 Chapter year were mailed today. Most Chapters should receive a priority box in 4-7 business days. Please allow extra time in Canada, Alaska and remote areas.

If using a PO Box or small mail delivery box please ask the postal employee if there is a parcel being held for the Chapter before contacting our office. If using the Lodge address, please confirm with the Administrator or Lodge staff if a package was received for the Chapter.

Chapters who refuse delivery or have inaccurate addresses on file with our office resulting in the package being returned 'undeliverable' may incur additional charges for re-shipment. Please verify that the Chapter address is correct via the Admin Menu and update accordingly.

If the parcel does not arrive by June 15th (July 1st Canada & Alaska) you may request another shipment by contacting Linda Stilin at lstilin@mooseintl.org or 630-966-2244.

All materials are also posted online at www.mooseintl.org for your convenience.
