Official Communication for January 27, 2016

Changes to the Moose 25 Club program

Effective May 1, 2016, the Moose 25 Club program will no longer offer a frame for the 25 certificate. The cost for the frame, along with the shipping costs has now made this cost prohibitive. We will still provide all other awards to our new Moose 25 Club members. This will allow each new qualifier to select the frame of their choice, making it suitable for any room in their home. For the Women of the Moose that have not yet advanced to the next level since May 2008, this will also apply. You have until April 30, 2016 to qualify for the framed certificate. After this date you will receive the certificate only, along with the Moose 25 Club charm.

Qualified Moose 25 Club members to receive preferred seating at the 2016 International Moose Convention in St. Louis, Missouri

Moose 25 Club members will be celebrating in style at the 2016 International Moose Convention as they will be spending the evening of Sunday, July 3 with the Little River Band. Little River Band is considered one of Australia's most significant Rock bands and have performed throughout the world and sold more than 30 million albums. They were the first band with a Top 10 hit for six consecutive years. Qualified 25 Club members will be provided preferred, reserved seating in recognition of their membership activities throughout the year. General Seating will be sold to all other convention attendees at \$20.00 per ticket while availability lasts.

How do you qualify for free tickets? Become a new Moose 25 Club member by April 30, 2016, be a current Moose 25 Club member and sign 5 during the Moose – Build Our Foundation campaign (May 1, 2015 – April 30, 2016) or be a 300 division qualifier or higher and you will receive an invite for you and a guest!
