### When Preparing for St. Louis, Don't Forget Our Heart of the Community Drives!

As our International Convention in St. Louis quickly approaches we are excited to once again be finding ways to contribute to our host city. As part of these efforts, we will be collecting items for the many children and families of the St. Louis Public Schools – 90% of which are living below the poverty level. We encourage all lodges and chapters to consider holding a drive for these items locally throughout the month of June, and then bring the items along to St. Louis to be part of our collective donations. The drives we are hosting are:

- Canned and non-perishable food items for family meals
- New or used clothing for children and adults
- School supplies for local schools
- “Backpack Buddies” – Approximately 90% of the children in the St. Louis Public Schools qualify for the federal lunch program. This ensures at least one good meal each day they attend school -- but often these children go hungry before and after school. Therefore, we strongly encourage you to pack a backpack full of nutritious snacks for these children to help them curb their hunger.

Collection vessels for all drives will be set up at the Heart of Community/Activities booth in the Plaza Lobby of America's Center. Please drop off all donations before Noon on Tuesday, July 5<sup>th</sup>,

as all donations will be turned over to the local schools the following day. Thank you in advance for your consideration and your assistance!

### **Appointments Can Now Be Made for Red Cross Blood Drive at International Convention**

The blood drive, being hosted by the American Red Cross, is taking place from 1:00 PM – 5:00 PM in Room 120 of America’s Center, on Tuesday, July 5.
