END OF YEAR REMINDERS!

- **Members With April 30, 2017, Expiration Dates Are Counted As Active Members For Year-End Totals**
 - As Lodges, Chapters and Moose Legions are contacting unpaid members to reactivate their memberships prior to the April 30th Moose – Raise the Roof campaign year end, keep in mind all members who expire on April 30, 2017 will be counted as Active Members. Efforts to reactivate expired members should **focus on those members with a March 31, 2017, or earlier (2/29/17, 1/31/17, 12/31/16...), expiration date.**
- **Verify all applications in “Accepted” Status have been enrolled**
 - Any applicants presently in your LCL.net that both remitted dues and received a favorable vote of the membership, not previously transmitted with an enroll date, must be immediately transmitted to Moose International **using today’s date as the enroll date.**
 - Chapters must ensure that an appropriate ballot date is also transmitted.
- **Online Dues Payment Is The ONLY Method Left To Ensure Expired Members Are Reactivated Prior To April 30th**
 - There is no longer time to mail in an expired member’s dues payment and be certain that they will be moved to “active” member status prior to the April 30, 2017 fiscal year end. Members desiring to return to active status in time to be counted toward a Lodge, Chapter or Moose Legion’s active member count at April 30th should go on line to pay their dues. **Successful online payments received through 9:59 PM Central Time on Sunday, April 30, 2017, will be counted as active members** in determining final active member counts for 2016-2017 year.
