International Open House Day – October 27th

Moose International has designated Saturday, October 27, 2018 as "**International Open House Day**" for lodge homes throughout the Fraternity. This date corresponds with Founder's Day, which celebrates the birth of James J. Davis, the driving force who brought purpose and meaning to the Fraternity during its earliest stages.

All lodges and chapters are encouraged to conduct events that will bring friends, family and local residents in touch with the Moose, our lodge homes, and the work we do on behalf of children, seniors and our communities. Additionally, lodges and chapters that conduct an Open House on this day may use the event as one of their activities for Member Retention Week. Simply indicate your participation on your form following Retention Week.

The General Governor's Office has issued a blanket dispensation for all lodges and chapters to hold events on that day that are open to the public, as long as the Moose's general guidelines for public events are followed. Alcohol may or may not be served, based on the structure of the event, but cannot be sold to members or non-members during the event. Lodges and

chapters should refer to Section 46.13 of the General Laws for guidelines to public events, such as Open Houses.

**Note, if October 27th is unavailable to conduct an Open House, the blanket dispensation allows lodges and chapters to hold the event a week earlier, on Saturday, October 20th.

Please check the Moose International website periodically for information pertaining to this coordinated Open House initiative at www.mooseintl.org.

Member Retention Week, November 4 – 10, 2018

Member Retention Week materials **are now available** on our website and can be accessed through Forms & Documents/Membership/Member Retention Week Materials. Printed materials will not be mailed automatically, but are available, upon request, by contacting Member Services at 630.906.3658 or memberservices@mooseintl.org. This week long program should be embraced by the membership, as it is their week to focus on the fraternal aspects of the fraternity. Remember, four events held during this week will make your lodge/chapter eligible for cash prizes!

Who is James J Davis?

The Loyal Order of Moose fraternity was created in April of 1888. Did you know only a few short years later, the fraternity was on the verge of fading away? In October of 1906, a man with a vision was introduced to the struggling fraternity. That man was James J Davis, and he brought with him a purpose for the Moose. His dream of a “happy city of children” brought hundreds of thousands of new members to the fraternity with the promise the Moose, as a whole, would continue to care for his family if member should parish. James J Davis is a name every Moose member should know. The children of Mooseheart are reminded of the man who gave them second chances at life as they pass the monument of James J Davis, on the Mooseheart campus. Remind your members who saved our great fraternity and gave it purpose to thrive. Proudly display in your lodge a replica of the same monument the children look up to. Each replica stands 8”, features James J Davis standing with 2 Mooseheart students, and is available

for purchase from Catalog Sales for only \$8.95 each- plus shipping and handling. Call to order your James J Davis Statue today. 630.966.2250 or order online <https://shopmoose.mooseintl.org/Replica-Statue-of-Mooseheart-Founder-James-J-Davis-304>

“Bricktown” is an up and coming area of entertainment in the heart of OKC. There are over 50 restaurants and clubs in the area. It rivals venues such as the River Walk in San Antonio, Texas. It is also the home of the NBA franchise OKC Thunder, and the OKC Dodgers (LA Dodgers farm team) stadium.

James J Davis

Founder and Creator of Mooseheart

In 1906, James J Davis was the man with a dream that every child could live in dignified comfort and still complete a school education and vocational training, even after the loss of their breadwinner father.

Through his hard work, Mooseheart was created.

Now, over 100 years later, Mooseheart has helped educate and otherwise save over 12,000 children.

6 1/2 years were spent on the road, selling the concept of building a “happy city of children” to potential Moose members.

James J Davis’ ability to convince people to invest in their families’ futures, is what made Mooseheart possible.
