## **WOTM Official Communication for April 26, 2019**

### **Moose on a Mission...Let's Get Fired Up!**

#### **We can do this!**

The Women of the Moose have a good chance of showing an increase in their membership for 2018-2019 Chapter year. Our mission to grow our fraternity is close to meeting its goals. We can't stop now.

There are currently hundreds of Women of the Moose applications that have been reported since May 1, 2018, and remain in "Accepted" status in LCL.net. Any applicants presently in your LCL.net that both remitted dues and received a favorable vote of membership, not previously transmitted with an enroll date, "Must be immediately" transmitted to Moose International with the appropriate enroll date.

As well, please reach out to expired or dropped members to encourage them to pay their dues prior to May 1, 2019. Please refer to the April 24<sup>th</sup> Official Communication for payment options.

The Women of the Moose are strong and dedicated, nothing can stop us now! Let's move forward to **"Mission Accomplished!"**

**On behalf of the Women of the Moose we wish you a successful end to the Chapter year!**
